

NAMED BY THE GOVERNOR.

THOMAS ALLISON TO SIT AS JUDGE MARTINE'S SUCCESSOR.

A BIRTH AS QUARANTINE COMMISSIONER FOR "JAKE" PATTERSON, PLATT'S LIEUTENANT—THOMAS J. CALLAGHAN NOMINATED FOR PORT WARDEN—IT WILL TAKE DEMOCRATIC VOTES TO CON-

FIRM PATTERSON.

(BY TELEGRAPH TO THE TRIBUNE.) Albany, April 9.—Governor Morton made the interesting announcement today that he had selected Thomas Allison, of New-York, as the successor of the late Randolph B. Martine as a Judge of the Court of General Sessions. After he had made this announcement the Governor was for some time in doubt as to his legal authority to make it, since the statutes especially referring to the Court of General Sessions were silent about the way to fill a vacancy other than by an election. Mr. Morton therefore put at work upon this problem Attorney-General Hancock and his law adviser, Charles Z. Lincoln, and they finally came

to the agreement that the Public Officers act, declaring that where there was no special provision of law the Governor should have the power to fill a vacant office, fitted the case of the Court of General Sessions.

The examination of lawbooks took six hours after the selection of Mr. Allison had been made, so that it was after 6 o'clock when the statement was positively made that Mr. Allison would be Judge Allison.

Governor Morton also gave out at 6 o'clock a long list of the persons who had signed papers recommending the appointment of Mr. Allison as Judge. An examination of this list shows Republicans of all shades of Republican opinion in New-York. It follows: Edward Lauterbach, Charles A. Hess, Philip L. Wilson, John T. Lockman, A. W. Gruber, Peter Leland, James L. Wells, William H. Goodman, H. C. Gibson, John A. Deady, E. R. Minard, Laffin Kellogg, J. C. O'Connor, Ernest Hall, Hamilton Fish, Philip W. Richmond, Jr., Harvey T. Andrews, Louis H. Ball, Edgar Root, Robert Sewell, Edward Mitchell, Horace Russell, Daniel Lusk, Franklin B. Lord, Daniel G. Rollins, John R. Fellows, Louis Marshall, John E. Rust, Thomas S. Wentworth, F. J. Worcester, J. A. Deussen, W. P. Chambers, Edwin T. Rice, George T. Comstock, Edwin L. Kalish, James W. Hyde, T. S. Cogswell, J. V. Averill, C. H. Trux, Albert Stickney, W. V. Christie, Adrian H. Jolles, Frederick Cleveland, J. M. Varnum, G. L. Rives, G. M. Vanhosen, Hamilton Odell, E. H. Lacombe, C. B. Cheever, John Vincent, S. Stearns, George B. Conner, Clifford A. Hall and Daniel McChure. Judge Allison's selection will not have to be confirmed by the State Senate.

While Mr. Allison's appointment meets with general favor, profound respect for the fact that many persons at another appointment made by

JACOB M. PATTERSON.

Governor Morton today. This was that of Jacob M. Patterson for Quarantine Commissioner. The ex-Patterson Justice is supposed of being a secret ally of Tammany Hall in the Republican camp. He opposed the nomination of Judge Bartlett, of the Court of Appeals, in 1892, it was believed, to the nomination of Judge Martine, and as a result, the Republican State Committee that year did not give him its confidence, although he was chairman of the Executive Committee of the party organization of the Republican party in New-York. Distrusted by the Republicans, it will be hard work for the State Senate to confirm that nomination; but Thomas C. Platt undoubtedly will be able to get Patterson's confirmation. The nomination was referred to the Senate Finance Committee.

Governor Morton also nominated Thomas J. Callaghan, Republican, for Port Warden in place of James H. Lynch, Democrat. The nomination undoubtedly will be confirmed. It will be referred to the Senate Committee on Commerce and Navigation.

CAREERS OF THE APPOINTMENTS.

GENERAL APPROVAL OF THE SELECTION OF MR. ALLISON—PLATT GLAD TO GET A PLACE FOR "JAKE" PATTERSON.

Thomas Allison's appointment by Governor Morton yesterday as Judge Martine's successor on the bench of the Court of General Sessions was received with approbation by the general public. The selection was especially commended by judges and members of the bar. It gave great satisfaction to the Republicans of this city, without respect to factional differences. Mayor Strong and Commissioner Brookfield commended it in high terms.

Mr. Allison was born in New-York City on September 29, 1850. His education was obtained in the public schools and at the College of the City of New-York, from which he was graduated in 1869. He studied law in the office of ex-Judge Edmonds and was admitted to the bar in November, 1869. In politics Mr. Allison has always been a Republican. Although he has never held office, he was the Republican candidate for Judge of the Court of Common Pleas in 1889 on the fusion ticket. He received 32,000 votes, but was defeated by Henry Beach, Jr., the Tammany Hall candidate. Mr. Allison was the choice of the Republicans for Judge of the Superior Court last year, but the Committee of Seventy concluded to take a Democrat, and nominated Henry R. Beckman.

Mr. Allison has had little or no practice as a criminal lawyer, but has been special counsel for the city in many important cases, which brought him into association with every Corporation Counsel since William C. Whitney. He is now counsel for the city in the Harlem River Speedway condemnation proceedings. He represented the city throughout the Broadway litigation and the suits connected with the Third-street railway. He won the suit of the Teat National Bank for \$60,000 against the city, and successfully maintained the right of Judge Lacombe, then Corporation Counsel, to remain in office when Colonel E. T. Wood sought to take possession under the appointment of Acting Mayor William B. Kirk. For the last nine years Mr.

REPUBLICANS WIN IN JERSEY.

SUCCESSIONS ALL ALONG THE LINE.

NEARBY CITIES AND TOWNS, WITH FEW EXCEPTIONS, CARRIED—JERSEY CITY AND NEWARK IN THE FOLD.

The result of the charter elections in nearby New-Jersey cities and towns is gratifying to the many adherents of the Republican party. The Republicans were successful in almost every place, and the seal of disapproval was placed upon Democratic doings and Democratic principles.

The Republicans of Jersey City carried the city by about 900 majority, and elected their entire Street and Water Board, which is composed of William H. Hooker, George W. Harding, George R. Patterson, John C. Kaiser and Richard Brown. The Democrats carried the First, Second and Third districts, and the Republicans the Fourth, Fifth and Sixth. Reuben Simpson, the Republican candidate for Alderman-at-Large, was elected by 400 majority over Edward Hoos, Democrat.

This makes the Republican majority in the new board 5. The issue mainly, which they opposed, was a new water supply, which they opposed, the city is now assured a new supply at the earliest possible moment.

Several persons were arrested for attempting to vote illegally. They were bailed for examination. The most important arrest was that of Florence Sullivan, of New-York, a brother of Timothy "Dry Dollar" Sullivan. When taken to Police Headquarters, Sullivan said he had been employed by ex-Sheriff Robert Davis to ferret out repeaters from New-York. The Chief of Police, Murphy, gave him the benefit of the doubt, and released him on condition that he should at once return to New-York, which he did.

The election in Newark was remarkably quiet and a light vote was polled.

RESULT IN NEWARK.

The whole Republican city ticket was elected by a majority of between 6,000 and 7,000. William Stainis, for the three-year term for Board of Works, was about two thousand behind his ticket. The Republicans elected twelve out of the fifteen Aldermen and as many School Commissioners, and gain control of the Common Council and Board of Education. They now have complete control of the city government. The law for a system of public parks, which was voted on, was adopted by a majority of about 10,000 in the city. The law increasing the pay of policemen and firemen was also adopted by a large majority. The vote was about one-third less than that of last November.

In Hoboken the election was quiet and there was no enthusiasm exhibited. The returns came in slowly, but at midnight the indications were

that Lawrence Pagan, Democrat, was re-elected Mayor by 100 majority; Henry Lohmann, Democrat, re-elected Water Registrar by 60 majority; and James J. Fox, Democrat; J. Henry Timmer, Democrat; Michael Murray, Democrat; and Edward Offermann, Democrat, were elected members of the Common Council, which gives the Democrats a majority of seven in the Council. Frank McDonough, Democrat, was also re-elected Recorder.

The Republicans swept Elizabeth. They elected Aldermen George E. Vanvorhis, Samuel J. Berry and Robert L. Patterson. The Democrats elected John J. Gardner, James Oakes, Paul Noll and Frank Engel. There are four Republicans and three Democrats in the city, which makes the new board, Republicans 7 and Democrats 6.

The Board of Education, heretofore Democratic, has been captured by the Republicans, who elected John A. Lutz, George Marriot and Peter S. Servis. John A. Lutz, Democrat, was elected Mayor. The Democrats elected Jeremiah Leary, Edward Danneberg and Wilfrid R. Sayre. There are four Republicans and two Democrats "holders." The next board will enable the Republicans to elect a City Clerk, City Attorney, Street Commissioner, Superintendent of Public Schools and Secretary of the Board of Education in place of the present Democratic incumbents.

Paterson has also been swept by the Republicans, who re-elected Mayor John J. Republican

city ticket, including two Freeholders, Alderman-at-Large, Water Commissioner and School Commissioner-at-Large by not less than 150 majority.

A FIGHT IN NEW-BRUNSWICK.

Several negroes and white men got into a fight near the second election polling-place in the Sixth Ward of the city just at 7 o'clock, when the poll closed. Many of the participants were drunk. Elias Sammis, white, was knocked down an alleyway by Ralph Scudder, colored. Sammis and his friends gave chase and ran across several negroes in an alleyway nearby. One of the negroes, William Hardy, fired five shots into the air, and John Smith, on the right shoulder-blade.

In the city of Orange there was a victory for the Republicans, they carrying three out of the five wards by a majority of 100. In the First ward James H. Riker (Rep.) defeated J. P. Flynn (Dem.) by 35 majority. In the Second ward Henry M. Dowd (Dem.) defeated Third Ward, Dehnelmer (Rep.) by 25 majority. In the Third ward, J. P. Riker (Rep.) defeated Herbert Light (Dem.) by 25 majority. Fourth Ward, Joseph T. Matthews (Dem.) defeated Frederick (Rep.) by 35 majority. Fifth Ward, William H. (Rep.) by 35 majority. Sixth Ward, John Seymour (Dem.) by 65 majority. The next council will stand Republicans 10, Democrats 6, a gain of one for the Republicans.

In East Orange there was a hot fight for the place of township president between Joseph Thompson, the regular Republican nominee, and Henry H. Hall, the candidate of the East Orange Taxpayers' Improvement Society. The Democrats, as a party, made no nominations. Mr. Thompson won by about 45 majority, against a normal Republican majority of about 50.

In Passaic the Republican ticket, led by Mayor A. T. Zabriske, Republican, was elected. The Democrats elected Bowker, Republican, running on the Democratic ticket, by about 25.

In the city of Newark the Board of Aldermen was elected. The Board of Education will stand eight Democrats and seven Republicans. There was a heavy vote in Montclair for the place on the School Board which she sought. The majority against her was twenty-eight. The Democrats and seven Republicans were elected to the council. The election result was a surprise.

REPUBLICAN VICTORY IN TRENTON.

E. N. YARD ELECTED MAYOR BY 3,600 MAJORITY.

J. N. JORITY RESULTS IN OTHER NEW-JERSEY CITIES.

Trenton, N. J., April 9 (Special).—The Republicans gained a notable victory here today, electing almost everybody on their ticket. John Brist, the Democratic candidate for Mayor, was snowed under by a majority that will reach 3,600. The successful candidate of the Republicans was Emory N. Yard. The Republicans elected a sufficient number of Chosen Freeholders and Aldermen to retain control of those bodies for two years.

Washington, N. J., April 9.—John S. Perdue, Republican, was elected Mayor of this place yesterday. The Democrats elected the four Councilmen and the Freeholder.

TEN BURIED IN THE RUINS.

FATAL COLLAPSE OF TWO BUSINESS BUILDINGS IN WHEELING, W. VA.

SIX OF THE VICTIMS DEAD—THE WORK OF RESCUE IMPROVED BY THE WRECKAGE CATCHING FIRE FROM A NATURAL-GAS LEAK—ONE OF THE STRUCTURES HAD BEEN CONDEMNED TWO YEARS AGO—THE MONEY LOSS \$200,000.

Wheeling, W. Va., April 9.—At a few minutes past 8 o'clock this morning an accident occurred which threw the city into the greatest excitement. The five-story buildings Nos. 1,229 and 1,232 Main-st., occupied by T. T. Hutchinson & Co., wholesale hardware and saddlery dealers, and W. H. Chapman & Sons, wholesale painters and builders' supplies, collapsed with a deafening report, burying ten men. To add to the horror of the situation, the ruins took fire from a natural-gas leak, and a dense cloud of smoke arising, the efforts of the rescuers were greatly impeded. The greatest damage to life was among the employees of Hutchinson & Co., all of whom were at work.

At a late hour to-night the lists of the dead and injured are as follows:

HURCH, Eugene, employed by Hutchinson & Co., killed; Harry, Western Union messenger, killed; HOBAN, Michael, employed by Hutchinson & Co., killed; PARKER, Father P. H., Vicar General of the Diocese of West Virginia, and chaplain of Mt. Dechant, the Catholic Seminary, killed; PRITCHARD, Benjamin, carriage builder, of Buckhannon, W. Va., killed; WISCHER, Robert, employed by Hutchinson & Co., killed.

CLIFTON, G. W., carpenter, slightly injured; FORD, M. J., employed by Hutchinson & Co., slightly injured and cut; HUTCHINSON, T. T., senior member of Hutchinson & Co., killed; WILLIAMS, O. E., carpenter, head cut, and severely injured about body.

All the injured will recover. William H. Chapman and Elmer Chapman, composing the firm of W. H. Chapman & Sons, and Frank Haller and Adam Blum, employees of Hutchinson & Co., escaped comparatively unharmed. The Hutchinson building stood at Alley 9 and Main-st., the Chapman building adjoining it. At the hour mentioned the employees in Hutchinson's heard an ominous cracking, and without a moment's warning the alley wall fell with a terrific crash, carrying with it both buildings. Only the rear wall remained standing. Frank Haller, Adam Blum and T. T. Hutchinson were in the rear office, and were saved by the aid of two men who pried off the bars of a back window and rescued them just before a mass of brick fell into the room. The men in the Chapman building fared rather better. Clifton, one of the workmen, noticed that the plastering on the wall which separated that building from Hutchinson's was crumbling and falling down. He immediately gave an alarm, and not a minute too soon, for before the men had reached the showers, the brick and mortar were falling from the ceiling. All got out in time, however.

A general alarm brought the Fire Department promptly to the scene, and the fire was extinguished. Although the firemen worked heroically, and in about two hours the first victim was rescued, he was not saved. He was comparatively young, and his name was not known.
